Title: PlanBoard

Version: 2.27.2

Publisher/ Creator: Chalk.com Education Inc,

Target Audience: Educators

Types of software: Tool because it aids educators with planning and organizing of lessons.

Curriculum: We would use this app in our classroom to help us stay organized with our classroom prep. Versatile with any grade.

Cost: No cost

Description: This is an app that organizes lesson plans and curriculum in ways that are easy to access. Allows teachers to spend more time with their students instead of having to constantly worry about their classroom preparation. Also cuts down on paper and pencil planning that takes up space and more time.

Impression: We generally liked this software, although it was a little tough to figure out. I feel as if we practiced with it for a while, it would be a great tool to use in the future.
