

1. Grade: 1<sup>st</sup>
2. Curriculum Topic: Distinguishing features of a sentence
3. [https://www.youtube.com/watch?v=0Wrv\\_ZviMEc](https://www.youtube.com/watch?v=0Wrv_ZviMEc) and I will create a worksheet using word. The worksheet will consist of sentences and students will have to circle the ones that are a sentence and whatnot. They will have to add the content to make the sentence a sentence
4. Synopsis: I will show the students the YouTube video and then as a class, we will do the worksheet that I will make using word. The worksheet will have sentences on it. Two sentences will be beside each other and the students circle the one that is a complete sentence. Next, we will correct the sentence that was originally not a complete sentence.
