

Writing Practice

1.) Grade Level: 2nd Grade

2.) Curriculum Topic: Writing/Language Arts

3.) Tools: Rocketbook Smart Reusable Notebook, The Pen, The eraser

4.) Synopsis: Students will create three short stories (each half a page) in their Rocketbook notebook. They will then pick one of their three short stories to write a 1-2-page story incorporating a random topic that I give them. This way writing becomes more fun and turns into more of creative writing. It allows the students to make up situations, figure out how to incorporate this topic that I give them, and just be more creative.
