

Mini Lesson 1  
Genius Words Writing

Grade level: 3<sup>rd</sup> Grade

Curriculum topic: W.3.3 Write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences.

Tools: Osmo – Genius Words, Microsoft Word, Dictionary.com

Synopsis: The students will play the Osmo Genius Words and see how many words they can get correct. They will choose one of the words and define it. After that, they will choose a word they had in the game and write a narrative story to go along with it. The students will do this individually.
