

Mini Lesson 2
Pizza Company Math

Grade level: 3rd Grade

Curriculum topic: AR.Math.Content.4.MD.A.2 Use the four operations to solve word problems involving distances, intervals of time, liquid volumes, masses of objects, and money including the ability to make change.

Tools: Osmo Pizza Co, Google Classroom

Synopsis: The students will be in pairs playing the Osmo Pizza Co game. They will have to play the game where they must provide change in dollars and coins. One student will make the pizzas and one student will count the change. In a document on Google Classroom, the students will record the math problems/change they gave. After a few rounds, they will switch places.
