Plagiarism

Plagiarism is the act of copying someone else's work or taking someone else's work and claiming it as your own. I want to teach my students about this topic to prepare them for later. Students should also know that many things on the internet are copyrighted and cannot be used without credit to the creator. It is also against law.

Our Classroom Contract

By signing and initialing below, my student and I understand the classroom, technology, and internet rules on the previous page need to be followed or there will be consequences.
