

Growth and Development

1st Grade Science

Standard: 1-LS1.D Information Process

Technology: VR Goggles, Kahoot

In this lesson Students will discuss that animals have body parts that capture and convey different kinds of information needed for growth and survival. Animals respond to these inputs with behaviors that help them survive. The students will use the VR goggles to view a variety of animals and their body parts. After doing this, the students will take a Kahoot quiz.
