

It's Good To Be A Dog

By: Rachel Worthington

Do you know what I am chewing on? I think it's yummy!

Not all dogs like this, but I sure do! What am I doing?

This is my favorite game to play with my human! Do you know what game it is?

Sometimes I like to be silly, What do you think I am doing?

This is something everyone does, it's one of my favorite parts of the day! What are we doing?

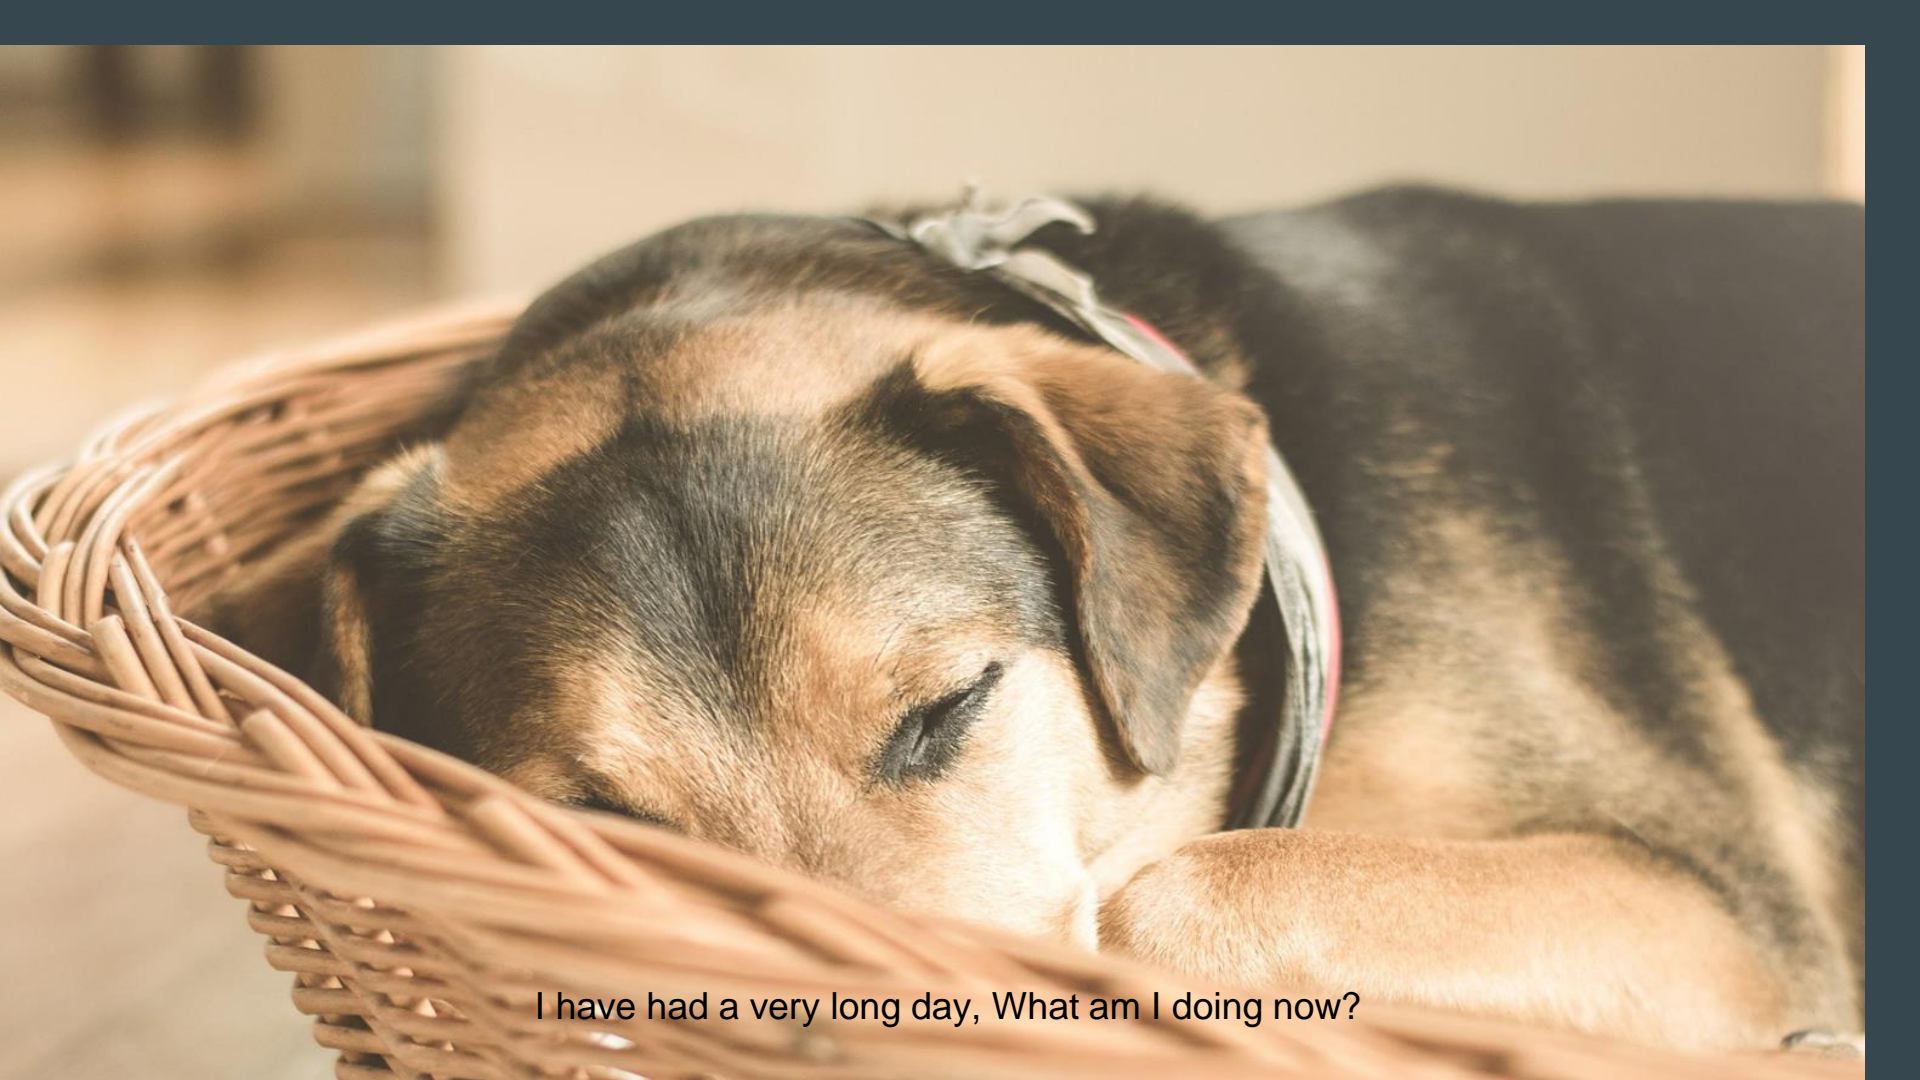

When I have lots of room, I love to do this! What am I doing?

I get to ride in the car with my human! Where do you think we are going?

I am a special dog that gets to help people. What do you think I do?

I have had a very long day, What am I doing now?
