

Eggs

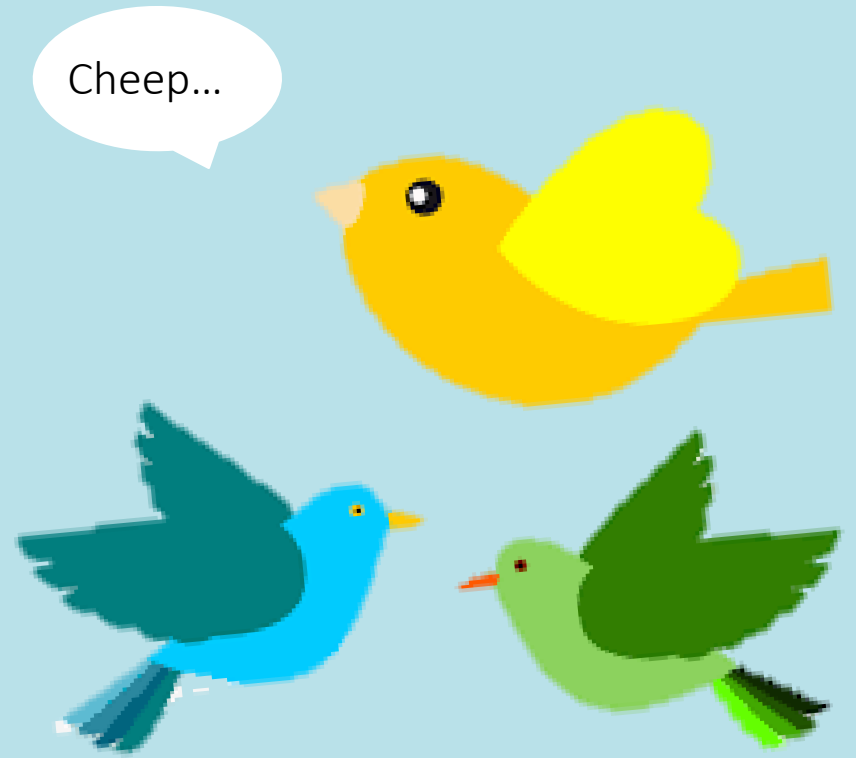

Ms. Sarah

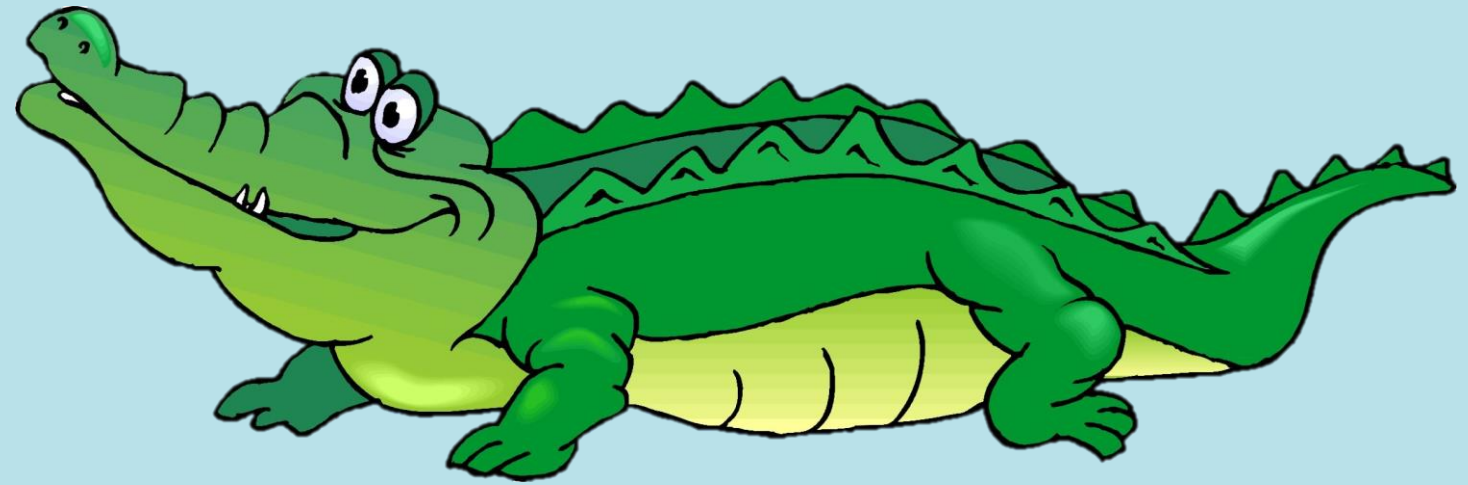

Lots of animals come from eggs

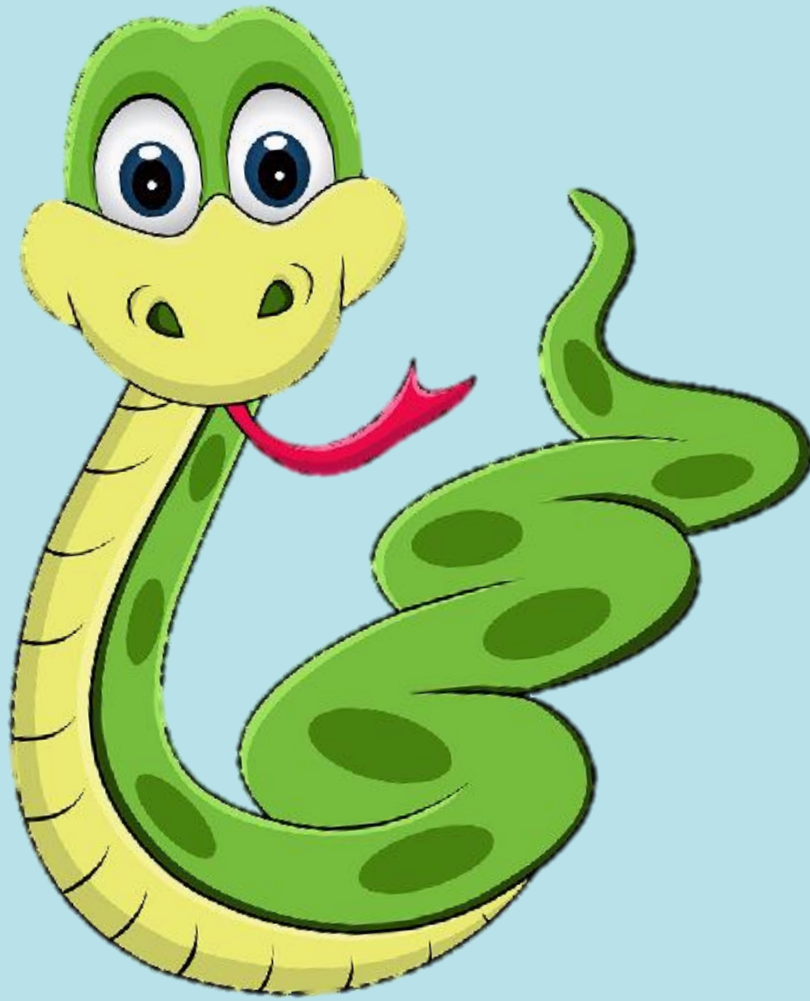

Some with fins
And some with legs

Some that chatter
and some that cheep

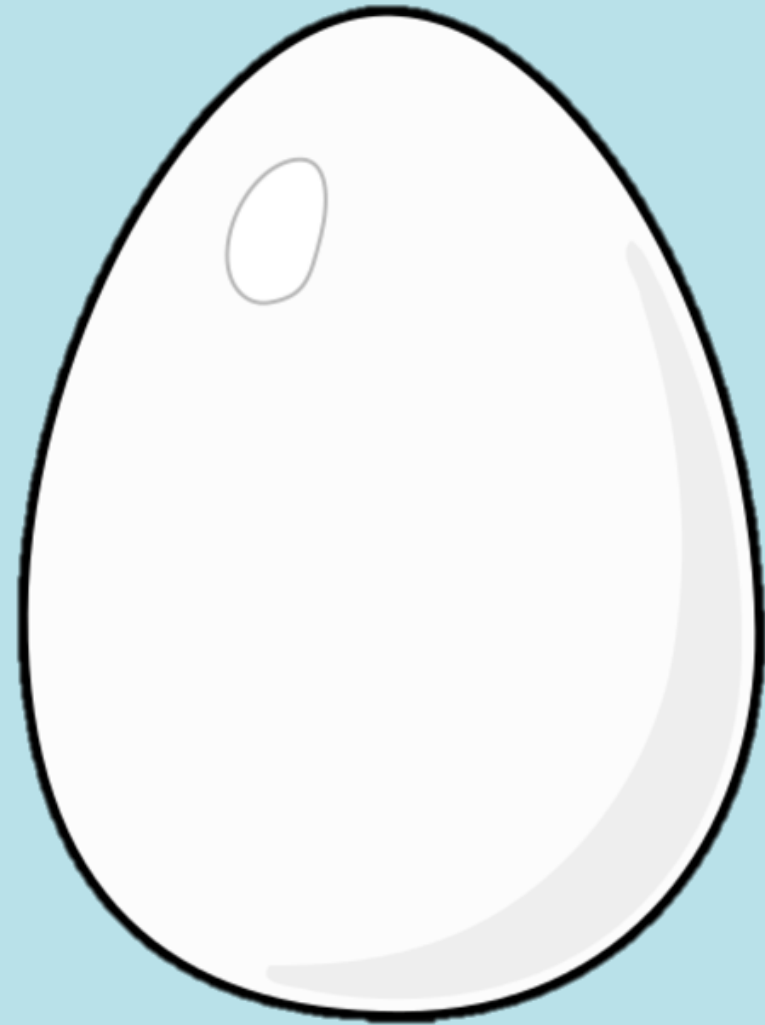

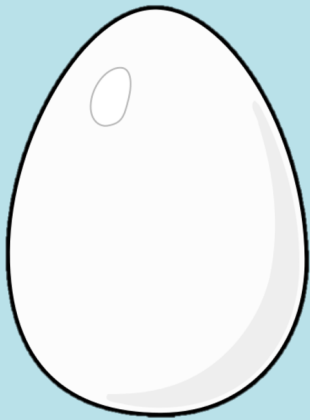

Some that fly
And some that creep

Some that slither
And some that run

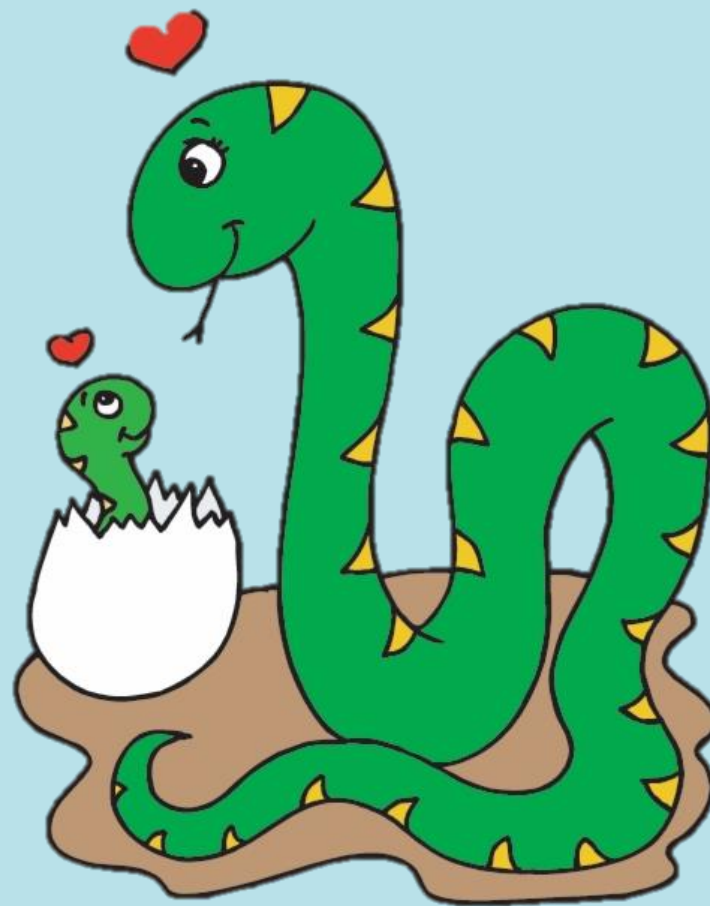

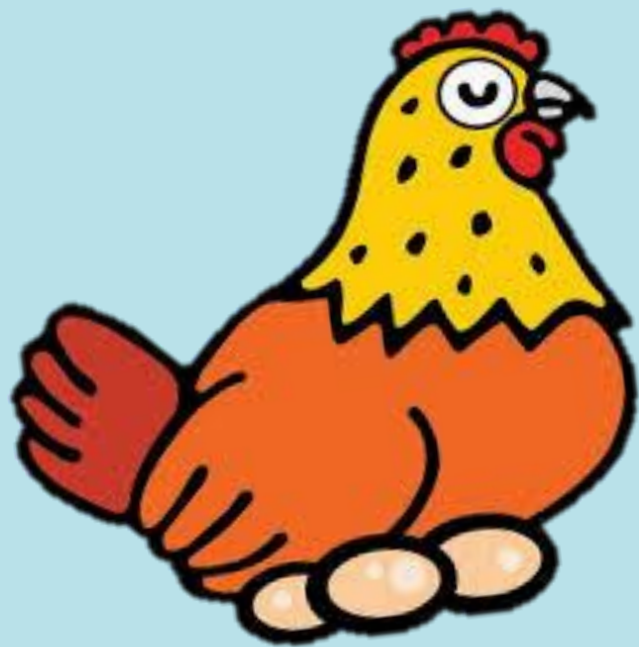

Some with feathers
And some with none

Animal eggs can be quite small
Or just as big as a tennis ball

The animals here
They're quite a few

Hatch from eggs
And lay them, too.

THE END
