

# Holidays & Festivals Around the World

Subject: Social Studies

Grade: First

Tools: PenPal Schools, Rocketbook Coloring Notebook with dry erase crayons and QR reader

Synopsis: For this lesson, my students are going to be learning about different holidays that are celebrated around the world. Students are going to create a Holiday Card in a Rocketbook Coloring Notebook.

After creating the Holiday Card, students will scan the QR code that is on the page to download their drawing onto an iPad. Finally, the students will go to PenPal School to submit their card through the class the project.
