

Meet Ms. Stephan Petty

Welcome

Welcome to 4th grade I am so excited to be your teacher this school year. I love fourth grade and I am excited about all of the fun and exciting things we are going to be learning. I cannot wait to spend the next year growing and exploring new things with you and you! Fourth Grade is fabulous and we are going to have a fantastic school

A Little About Me

This is my first year teaching the 4th grade and I am extremely excited to see what this year has in store. I have a degree in Elementary Education and Graduated in May of 2020, also have and associates in Science and a minor in History. I am currently headed back to school for my masters in Administration. I grew up in a small town called Walnut Ridge, Arkansas and graduated in 2015. GO BOBCATS!! I am spontaneous and love to travel, craft and play sports along with being with my friends and family. Church is also really important to me and a big part of my life. I love History and any chance I get to travel and learn more about the past, I will take any opportunity. I also am a dog mom to a sweet Springer Spaniel names Bella. That pretty much sums me up!!
