

Acceptable Use Policy:

An Agreement between the Parent and Student

The purpose of this agreement is to set the parameters for technology/internet use in the house.

As the Parent/Guardian, I have certain rules that I expect to be followed. They are as follows:

-
-
-

Also, as the Parent/Guardian, I promise to treat you with respect and trust your intuition in regards to your technology usage and internet access.

Parent/Guardian Signature

Date

As the student, I promise to follow the rules that have been set for me, and treat my technology and internet access with respect.
