3. For the third offense, the student will be sent to the office and receive either *Detention* or *In-School Suspension*.

Consequences of Inappropriate Technology Usage

1. For the first offense, I will simply give a *verbal warning*.
2. For the second offense, I will take the student's device for the class period.
3. For the third offense (on a different day), I will take the student's iPad/Phone and send it to the office, where the parent will have to pick it up.
