			and sounds that the students were incorporating.
If the App required a response, was it appropriate? (right or wrong)			N/A
<p>Were there bells and whistles?</p> <ul style="list-style-type: none"> <li>• If so, do they enhance instead of detract?</li> <li>• If not, should there be?</li> </ul>		X	There shouldn't be bells and whistles. This is an app that you add your own sounds and etc.
Did you like using the App?	X		I did! It was fun, helpful, and I know I could use it for any grade or subject.
<p>What was the cost?</p> <ul style="list-style-type: none"> <li>• Was there a "lite" version <ul style="list-style-type: none"> <li>○ If so, was it enough</li> </ul> </li> </ul>	X		The lite version was enough! There were so many tools that the students could use and be successful with.
<p>Were there in-app purchases?</p> <ul style="list-style-type: none"> <li>• If so, what were the additional costs?</li> </ul>	X		There was purchases for unlimited projects, and you will have the support team. Nothing necessary to buy.
How does it compare to other apps that do the same?			I would say it's better. It has a free version that does all you need it to an it user friendly. It gives the user all the colors they need and shapes they may want to use.
