

Movies and Grammar

Subject: Language Arts

Grade: Third

Tools: Apple iMovie and Youtube

Synopsis: Students are going to be working on grammar parts of speech. This lesson will be continuous and this lesson will be the final assessment. I have attached an example video (it is important to note: students video does not have to be as elaborate as the example video shown.) the assignment is that students are going to create a rap over the parts of speech and have them create an iMovie to present to the class.
