

Newsletter for Mrs. Tiffany's Class 10/26/2020

What we are learning this week

Science

- Finishing Animal cells
- Starting Plant Cells

Math:

- Finishing multiplication
- Starting

Halloween Party

Our class will be having a Halloween party on October 28, 2020. I will provide the food and drinks for all students that will be attending. Parents if you would like to send candy for the students that will be fine. Just be sure to keep allergies in mind. They can dress in their costumes but keep all toy weapons at home.

Adults, be watching for adult/teacher conference information that will be sent home with students. The letters will be in their folders. I will assign times. If that time does not work just write a time and date that will, and I will get you scheduled. Thank you.

Red Ribbon Week

Monday	Crazy Clothes
Tuesday	Red Day
Wednesday	Costume Day
Thursday	Hip Hop Day
Friday	PJ's Day

October Birthdays

- April Kale
 - October 26
- Johnny Smith
 - October 28
