# We have a surprise!

There will be a Christmas play this year!

Due to COVID-19, there were doubts about our annual elementary christmas play. Our staff has worked to ensure that there will be a safe, social distanced venue for our students and families. We will send all necessary information home with students as time gets closer.

Who likes to party? We do. That is why we will be having our class Christmas party on December 18. I will provide everything for the students. They are allowed to wear their pajamas to school, but we do ask for them to wear regular shoes.

## Vocabulary words for the Science Exam
