Describe the software: "The BrainPOP Jr. Movie of the Week app delivers a different animated movie every week- plus related quizzes and educational activities- free! Ideal for kids in Kindergarten through grade 3, BrainPOP Jr. spans topics across Science, Social Studies, Reading, Writing, Math, Health, Arts, and Technology." –App Store

Describe your impressions on the software: We enjoyed this app and all that it had to offer. Not only does it provide new movie for the week, it also has past movies in other subjects, such as math, social studies, and science. It has fun and educational videos for each section. We liked how each section had multiple videos that will truly help out the students.

Does it pass APPS? Yes
