Educational Software Write Up

Evaluators: Teagan Russell, Madison Martin

Title: Kindergarten Math & Reading

Version: 3.5.2

Publisher: Kids Academy

Target Audience: Ages 4 & up

Use in curriculum: This discovery learning app is a great app to use in the classroom during free time. The students are not just having to focus on one subject, instead, they get to choose which subject and what topic they would like to do.

Cost: 1 week free, $7,99 a month, or $79.99 a year.

Describe the software: "Based on tried-and-true approaches to preschool education, Kids Academy's Early Learning University is the best educational app for kids from 1 to 5. It develops reading, writing, and math skills through fascinating games!"

Describe your impressions on the software: We like that the app is regularly updated to keep the content relevant, we believe that is important. We also like that the app has multiple core subjects so that students are able to choose what section they would like to work in.

Does it pass APPS? Yes.
