

Mini Lesson #1

Grade Level: 1st

Topic: Writing

Standard: W.1.3- Write narratives in which they recount two or more appropriately sequenced events, include some details regarding what happened, use temporal words to signal event order, and provide some sense of closure.

Tools: Osmo Coding with Aubie & Inspiration

Synopsis: Using the Osmo Coding game, students will travel through the virtual world, choosing the right pieces to finish the level. Students will recall what Aubie has to do in order to complete the level and write a narrative where they recount two or more sequenced events. Using Inspiration, students will type out important information as a 'graphic organizer' for their writing. Students will turn in their graphic organizer, along with their one-page writing of what occurred to Aubie. Students will complete the assignment on their own.
